

MOVE PEOPLE, NOT JUST FREIGHT, ON EXISTING TRACKS!

Come and hear WHY and HOW we need this for the Northeast.

THE BOMBARDIER C.L.E.A.N. DIESEL PASSENGER TRAIN IN SWEDEN is an excellent example of environmentally conscious trains that could be implemented on Northeastern Ontario tracks.

A Northeastern Ontario Passenger Train Loop is Possible on Existing Railway Tracks.

Passenger trains are efficient, effective, accessible, affordable, safe, reliable and environmentally responsible transportation all year round.

Thursday, April 19, 2018 | 9:30 AM to 4:00 PM

Quattro Hotel and Conference Centre
Sault Ste. Marie, Ontario Canada

Registration for the Northeastern Ontario Passenger Rail Summit is \$15.00 (includes lunch).

Non-refundable.
Consider it a donation to NEORN's efforts to bring back passenger train service.
